Apple LP Checklist

A personal checklist tracking the various pressings of Apple LP albums released in Canada (1968-1975). Each entry shows the **variation ID**, a short **description**, and the **pressing plant**. Tick a box to toggle owned/missing; ticking an unconfirmed entry promotes it to confirmed.

Albums on a dashed background were never pressed in Canada (or were assigned UNUSED Apple catalogue numbers) — they're shown for context but can't be ticked.

Click any text to edit the ID, description, or plant. Changes auto-save in this browser.

Use [Download edited copy](#) to take a snapshot in HTML format that you can open in your web browser.

You can also download the **printable PDF list** [HERE](#) (applelpchecklist.pdf)

Owned Missing Unconfirmed

0 owned · 216 missing · 0 unconfirmed · 0 confirmed · 216 total [Download edited copy](#)

Tip: click the box to toggle owned/missing. For unconfirmed entries, ticking the box marks them as "confirmed" — they turn blue so newly verified ones stand out. Click any text to edit.
